Our Locations

Clinics **Hospital Affiliations**

Our team of medical professionals at Vascular Health Clinics is focused on one thing: quality care for your patients. Whether your patients have questions about symptoms or have already been referred for a vascular condition, we will help you get your patients started on their journey to healthy living.

Our multidisciplinary team of surgeons, internists, podiatrists, interventional radiologists, nurses and coordinators provide care 24 hours a day for patients in need of emergent, short-term and long-term care.

Call **989-CLINICS** today to schedule an appointment
